

CATTLEMEN,

Advertise your brands in the ARGUS. People doing business should advertise it. By doing so you inform other people that you are on top of the earth. A business that cannot afford to advertise is not worth monkeying with. Remember the loss of a single steer, will more than pay for brand and paper for a year.

The Argus.

SHEEPMEN,

Should advertise their brands in the ARGUS. The brand including paper one year, constitutes a small outlay, and may save you a "cut" this one "savings" would pay cost of brand and paper for many years. Remember 'tis a business maxim: "a business which cannot afford to advertise, will not pay to follow." Gentlemen, send us your brands.
